15th March 2021

Dear Secretary,

We hope this email finds all your members & friends well!!

We have attached the 2021 VRMAV Annual Dinner registration form for you to discuss & distribute to your members.

The VRMAV was formed some years ago to ensure the friendships made through Motorcycle racing could continue in a social manner through its Annual Dinner held on the first Friday of May each year.

The key criteria for membership is as follows:

ELIGIBILITY OF MEMBERS

- Must have held a competition Motorcycle Licence 20 years ago or more
- Must have held a Motorcycle Racing Officials Licence 20 years ago or more
- Spouse, Family Member or Carer of the above Members are also eligible
- Key supporter of Motorcycle Racing Industry from 20 years ago or more

Membership registration is included in the price of the Dinner - so there are no additional membership requirements - other than Registering on the attached form for the Dinner.

The Dinner continues more than Fifty Five years on from its conception and the Committee would like to ensure your members past & present can be included in what is a great event.

Please ask your members to join us individually or they can also put together a table of your Motorcycling mates - you can do this by forwarding a copy of the Registration form and ensuring everyone registers as early as possible.

Our President, John Hazeldene, and the Committee are planning another great night - so don't miss out!!

We look forward to seeing you all on the 7th May!!

Kind regards,

John Hazeldene
President VRMAV inc.

Karen Lambert-McKay
Secretary VRMAV inc.
