

Behind the Bars

The Presidents Report

Well, Its that time of again, and with a 7.21.2 OIL CONTAINMENT AND salty tear in our eye and a chuckle or two we reminisce at the year that has been. Our achievements, goals meet, 7.21.2.1 For Period 1 to period 3 the small victories and the epic fails that our mates managed to catch on camera. While looking forward to the challenges and dreams that the new year will bring.

Personally I would like to thank almost everyone for being freaking awesome,

Most of all I would like to thank my fellow committee members for steering the club through another year and the challenges of organising the best historic race meetings in the country.

Also a big thank you to all the officials and volunteers that give up so much of their time so we can enjoy the racing.

It was good to catch up socially with everyone at the club Christmas dinner and presentation night. We had a great turn out with some delicious food a few cold bevies and tall tales. Congratulations to all those that won an award.

I haven't got a lot to say at this time of the year and like a lot of you its a very busy time so I'll keep it brief.

I would just like to wish you all a safe and happy Christmas. For those of you going to the S.A. titles, I will see you there. To everyone else I will see you at the track in the new year.

New Historic Sidecar Rules regarding oil containment in the 2024 Manual of engine (minimum three litres), and b) Motorsport. Make sure your outfit complies for events in 2024 or you might not be allowed to race:

UNDERSIDE PROTECTION

sidecars, in case of engine breakdown, a barrier/underguard plate with oil absorbent material between the crankcase and the plate is to be fitted.

7.21.2.2 For Period 4 and period 5 Sidecars, in case of an engine breakdown, an oil containment tray must be constructed directly below the engine to: a) Hold at least half of the total oil and engine coolant capacity of the engine. b) The fuel tank breather pipe must be fitted with a non-return valve and must discharge into a catch tank with a minimum capacity of 500cc.

7.21.2.3 For Period 4 and period 5 Sidecars fitted with air cooled engines, machines must be fitted with a catch tray that at a minimum exceeds the maximum length and width of the engine & gearbox, excluding ignition/timing covers. a) For the purpose of these rules, the fitment of an external oil cooler is permitted, and such installation shall not alter the classification of "air cooled engine". b) The tray must have an upturn of a minimum of 10 mm on all edges, and/or be fastened to the frame rails in a manner that creates a retaining edge. c) A layer of oil absorbent material must be placed between the catch tray and the engine.

7.21.2.4 For Period 6 Sidecars, an oil / coolant containment tray must be constructed directly below the engine to: a) Hold at least half of the total oil and engine coolant capacity of the The edges of the oil containment tray must be at least 50mm above the bottom of the tray.

Meeting Minutes

Our Ladies Liaison and the Secretary recently set off on a tour of our Central racing locations, Mt Tarengower and Eddington in weather that has become the norm this summer.

HMRAV Club meetings are conducted via Zoom usually every 2nd Monday of the month

For a link to join please contact one of the committee and we'll send you a link

Come along and join us from your lounge room - it's easy and fun!

Club Permits

Attention all Club Permit members.

The club has hundreds of members with Club Permits (Red Plate) which means there are hundreds of renewals to process by members of our volunteer committee.

To ensure that your renewal application is processed, you must include the following along with your renewal notice from Vic Roads:

- You must send a photocopy of your current membership card to show that you are a FULL financial member of HMRAV (Racing and Red Plate member only Social membership does not entitle members to Red Plate privileges). This is essential and a Vic Roads requirement for red plate renewals. (In regards to family membership, It is important that each person who is part of that family membership, is known to the club and has been allocated a membership card)
- You must send a stamped, self-addressed envelope to ensure that your renewal gets back to you in a timely fashion and arrives at the right address.

Failure to adhere to these conditions will mean that we can't process your renewal and will lead to delays and frustration for all concerned.

If you have any questions please call our Club Permit coordinator Mick Chegwidden on 0401 819 609 who is only too happy to give you advice.

The Club Permit scheme is one of the great things about belonging to a club like HMRAV, so please ensure you are supporting the club by getting your renewal processes right the first time.

Please remember you need the following items for successful renewal:

- Renewal notice from Vic Roads;
- Photocopy of current HMRAV membership card;
- Stamped self-addressed envelope.
- Send all of the above to:

Club Permits HMRAV 46-48 Powlett St, Dalyston, 3992

Any questions please call Mick or a committee member!
